TO: Caballero Video

Pursuant to regulation 32 of the Films, Videos, and Publications Classification Regulations 1994 the film poster entitled:

Teeny Exzesse Erotic Fruit

is: Refused Approval

if approval refused, the reasons for the decision:

The video slick *Teeny Exzesse Erotic Fruit* advertises the nature of the video recording *Exotische Früchtchen* (OFLC 001049). It does this through a combination of text and colour photographs. The front cover shows a group of women, posing, three of whom are naked from the waist up and one who is completely naked; her crotch is pointed to the camera. Some of the women have a youthful appearance, although none are obviously under sixteen. Inserts over the remainder of the front cover, and on the rest of the slick, show the same women, naked and semi-naked, engaged in sexual activity with men, with other women, or posing for the camera. Sexual activity depicted includes fellatio, vaginal and anal intercourse. There is an extensive focus on the women's nudity and genitals.

The back cover also contains a blurb in English, with what appears to be its German equivalent above. The blurb describes the plot of the associated video recording, and refers to "... orgies with beautiful teens ..." and "... the most handsome girls, all shaved and very young." Credits include reference to "Pussy Girl Or" and "Miss Teeny Thailand 1992".

The video slick's strong focus on the women's bodies and genitals in poses of sexual activity degrades and dehumanises them, as it presents them primarily as a set of genitals and body parts. The written references to teenagers and young girls, in the title, blurb and credits, are reinforced by the youthful appearance of some of the women. These factors promote the desirability of sexual activity with young persons.

In consideration of the factors mentioned above, the Classification Office, in accordance with Regulation 27(3)(a) of the Films, Videos and Publications Classification Regulations 1994, refuses to approve the film poster.
